

**Mr. Kevin Juang**

Vice Chairman of Taiwan Man-Made Fiber Industries Association

Mr. Kevin Juang currently serves as Vice Chairman of the Taiwan Man-Made Fiber Industries Association. He is also the Chairman of Taiwan Taffeta Fabric Co., Ltd. (also known as TTF). With over 50 years of history, TTF is a vertically integrated manufacturer specializing in polyester textured yarns and functional woven fabrics. The company is renowned for its R&D excellence with agile service, and its signature stretch wool-like fabric brand, “ElasLana.”

Since joining TTF in 1996, Mr. Juang has held various leadership roles, including Sales Manager, Executive Vice President, and President, before becoming Chairman in 2022. A veteran of the textile industry, he also served as Chairman of the Taiwan Silk & Filament Weaving Industrial Association from 2018 to 2024.
