

# CV of Gloria Lien

**Name / Job Title:** Gloria Lien / Manager

**Company:** Far Eastern New Century Corporation

Gloria Lien serves in a sales leadership role at Far Eastern New Century Corporation (FENC), one of the leading enterprises in the field of sustainable development and circular economy.

With over 18 years of experience in the synthetic fibre and textile industry, Gloria has been at the forefront of bringing FENC's TOPGREEN® sustainable solutions to the global market — working closely with leading international brands and manufacturers to adopt recycled polyester filament materials sourced from land, ocean, and air. Her work spans the full commercial journey, from developing strategic brand partnerships to driving the expansion of green product businesses across the textile value chain.

Gloria is committed to helping businesses transition to reliable, environmentally-friendly materials that reduce carbon footprints and integrate circular practices into their operations — contributing to a future where the textile industry can thrive while safeguarding our planet for generations to come.
