

Mr. Chen Namchaisiri

Chairman of Thai Man-Made Fiber Industries Association

Mr. Chen Namchaisiri is a highly distinguished leader in the Thai industrial sector, currently serving as the Chairman of the Thai Man-Made Fiber Industries Association. His career is built upon a robust academic foundation, including a Bachelor of Engineering from Chulalongkorn University and dual Master of Science degrees in Mechanical and Industrial Engineering from Stanford University. Since 1997, he has served as President and Executive Director of Asia Fibre Public Company Limited, following successful tenures as Director and Vice President. His influence is felt across the national industry through senior roles such as Honorary Chairman of the Federation of Thai Industries and Director for the Joint Standing Committee on Commerce, Industry and Banking.

Mr. Chen's expertise has been integral to major energy and textile organisations, including directorships at Thai Oil PCL, Glow Energy PCL, and the Thailand Textile Institute. His commitment to public service is highlighted by his roles as a Member of the Senate, the National Legislative Assembly, and the National Reform Council. He has provided strategic guidance to the Thailand Research Fund, the Thailand Greenhouse Gas Management Organisation, and the Industrial Estate Authority of Thailand. Additionally, he has supported the scientific community as an Advisor to the Asian Institute of Technology and a Director of the National Science Technology and Innovation Policy Office.

In recognition of his service to the Kingdom, Mr. Chen was awarded the Knight Grand Cross (First Class) of the Most Noble Order of the Crown of Thailand in 2021 and the Knight Commander (Second Class) of the Most Exalted Order of the White Elephant in 2017. A dedicated advocate for professional development, he has completed executive courses at the Capital Market Academy and the National Defence College. For over two decades, he has championed environmental sustainability, spearheading regional water management networks to ensure the effective exchange of resources and information across Thailand.
